S. Comments: Performance gueried. Rider stated that his mount began we	ell and settled in a forward	ward position and appro	aching the 400m when racing greenly

lost ground and began to lay in. In the home straight when improving the mare continued to lay in, contacting the rail passing the 200m and was then reluctant to improve to the inside of another runner. Rider lost the use of his off side rein over the concluding stages.

S. Comments:Raced three-wide without cover throughout. Laid in significantly near the 200m before shifting out abruptly. A post-race veterinary examination revealed minor lacerations to the mare's off hind consistent with being galloped on and was also found to be exhibiting signs of the thumps.

S. Comments:Overraced in the early stages when being restrained. Raced three-wide throughout. Rider the gelding proved difficult to settle in the early stages and he found himself three-wide for the majority of the race. He further stated that after improving his position approaching the turn into the straight, the gelding failed to run on in the straight. A post-race veterinary examination revealed a slow post-race recovery.
