S. Comments:When questioned by Stewards in relation to the seemingly improved performance and tactics adopted, co-trainer T. Sears advised that last start the filly was ridden further back than anticipated from a wide barrier, and met with some interference in the early and middle stages, however still ran on well late. He added that at its first start, the filly sat up on the speed and performed quite well. He further advised that today he removed the blinkers and added winkers to the filly's gear, and when able to be ridden more forward and down in grade, he had expected a forward showing.

| S. Comments:Began awkwardly and shifted in and bumped AKAGE. Inclined to lay in under pressure over the final 250m. Rider questioned re settling in a midfield position with cover, in contrast to its most recent pattern where it has settled in a forward position - explained intended to race forward however, when it began awkwardly and soon afterwards crossed by SAUNTER BOY elected to settle the gelding with cover. Added if the tempo was slow in the middle stages she would have improved around the field to lead but as pace was genuine at that stage elected to continue to race with cover. S. Comments:After passing the 500m was placed under pressure and failed to respond and in the home straight proved disappointing. When asked to comment on the performance, Trainer M. Wilson advised that even though FANX raced in a forward position, he is of the opinion that FANX is better suited when allowed to lead and dictate terms. As the gelding was unable to do that today, this may have had some bearing on its finishing effort. A post-race veterinary examination failed to reveal any abnormalities.
