S. Comments:Shortly after the start, raced in restricted room for a considerable distance when runners either side shifted round. A short distance later was again steadied when forced to race in restricted room and as a consequence was forced to race wide without cover for the remainder. When questioned in relation to the below market expectation performance jockey J Bayliss reported that after being subject to interference in the early stages, the gelding never travelled comfortably throughout the event and when placed under pressure in the home straight failed to respond to his riding.

He added that the gelding had previously performed well at this track and distance, which he felt was also to the benefit of the gelding in today's event
