S. Comments:Slow to begin. Made the crossing near the 1500m awkwardly. Held up rounding the home turn and in the early stages of the home straight. Jockey M Cahill advised that his mount settled in a rearward position as per its customary racing pattern, however as a result of the big field he was forced to settle a considerable distance from the leading position. Jockey Cahill added that as a result of his position in running he was not entirely disappointed in the performance of gelding which in his opinion would be better suited in races over a greater distance than that of today's event.
