 S. Comments:When asked to comment on the below market expectation performance, Jockey J. Byrne reported that the gelding, which was having its first start today, began only fairly as apposed to its official trial leading into today's event and as a result, he was obliged to ride the gelding along in the early stages to obtain the leading position. Jockey Byrne also added that after travelling well after this the gelding failed to quicken as he had expected when rounding the home turn and ran on only fairly for the remainder of the event. Post- Race veterinary examination revealed no abnormalities.

S. Comments:Slow to begin. Made the crossing near the 1500m awkwardly. Held up rounding the home turn and in the early stages of the home straight. Jockey M Cahill advised that his mount settled in a rearward position as per its customary racing pattern, however as a result of the big field he was forced to settle a considerable distance from the leading position. Jockey Cahill added that as a result of his position in running he was not entirely disappointed in the performance of gelding which in his opinion would be better suited in races over a greater distance than that of today's event. Jockey T Harrison reported that whilst the gelding travelled comfortably during the event, it failed to run on as she had expected in the home straight. Jockey Harrison added that in her opinion the reduction in distance of this event was not the to advantage of the gelding. Trainer B Hull indicated that the mare gelding in light of today's performance would now be spelled.
