Mr Doughty added that further in his opinion racing back at the Gold Coast where it had won on seven prior occasions, was the major contributing factor to the improved performance.

S. Comments:Began awkwardly and then failed to muster early speed. Approaching the finish line, improved onto the heels of a tiring runner and shifted out abruptly. On returning to scale apprentice Y Lewis reported that the gelding failed to muster early speed however this is consistent with its customary racing pattern. Apprentice Lewis added that the gelding made some late ground, however, would be much better suited in races over a greater distance than today's event. A post-race veterinary examination failed to reveal any abnormalities.
