When asked to comment on the apparent improved performance trainer D Corbett advised intentions were not to race in a leading position, however after beginning well and being caught wide in the early stages plus with the addition of blinkers first time today, the horse was able to race in a more forward position. S. Comments:Shifted out rounding the home turn bumping another runner. Trainer B Robinson was questioned in relation to the seemingly improved performance. Mr Robinson advised that the horses trackwork had improved following its last start and based on this he had expected an improved performance. Mr Robinson added however that despite this he was still somewhat surprised the gelding was able to win today's event and was unable to explain the significantly improved performance.

S. Comments:Stewards inquired with M Rodd, rider of BRAZEN BRECCIA, as to whether an opportunity existed at a point near the 1000 metres, when challenged for the lead by VOIGHT, to restrain his mount to obtain cover. He stated at that point of the race his mount was travelling comfortably and as it is a big horse that wears a tongue tie he was concerned BRAZEN BRECCIA may not continue to travel if overly restrained. M Rodd further stated he did not wish to be caught behind VOIGHT which, in his opinion, was not a strong chance in the race adding that the tempo at that stage of the race was not significant.
