Approaching the home turn, when racing in restricted room, contacted the hind quarters of ELROY and became unbalanced and had to be steadied. Held up from the 400m, until a point approaching the 250m. Had a tendency to lay out under pressure over the concluding stages.

S. Comments: Contacted on jumping. When questioned regarding the improved performance, trainer advised that the filly had been pleasing in its work leading into the event and the stable had expected a forward showing. She added further that the uninterrupted run, compared to the interference incurred last start, was also a telling factor. Rider advised that, after beginning well, his mount travelled well throughout adding that, in his opinion, the filly is better suited to being ridden in a prominent position as it was in this event. Stewards noted the explanations.

When questioned regarding the seemingly improved performance rider advised that, in her opinion, a step-up to a more suitable distance, and having been caught wide in its previous start were instrumental in the improved performance.
