S. Comments:When questioned jockey A. Butler stated that BONDURANT initially raced well in the early stages and found its customary leading position without having to do too much work. He added though that when approaching the 800m, the gelding started to not travel as strongly as it usually does and failed to respond to his urgings when placed under pressure in the home straight. Jockey Butler further stated that the heat and the 62kg imposed on his mount today was a factor in the performance today. Trainer J Wehlow echoed jockey Butler's sentiments and undertook to report back in the coming days.

S. Comments:When questioned jockey J. Stanley stated that although DONMORE GIRL had to do a little bit of work to obtain the lead, he was satisfied with the way she settled and how she was travelling up until the 400m. He added when he asked for an effort once headed by other runners, she failed to respond and was disappointing from that point on. Stanley stated that the filly had sweated up quite poorly in the preliminaries and this may have been a factor. Trainer agreed with the comments. Post race exam revealed no abs.
