Trainer R Vale advised that the filly has been inclined to over race in recent starts and proved to be disappointing and it is his intention to make gear alterations and look for races over a shorter distance than that of todays event. The trainer then added that he intends to have blood test conducted in the coming days and report to stewards anything that may assist to explain todays performance.

S. As Tnr confirmed instructions, was reminded of obligations to advise of any change of tactics.

Trainer R Vale advised that the filly has been inclined to over race in recent starts and proved to be disappointing and it is his intention to make gear alterations and look for races over a shorter distance than that of todays event. The trainer then added that he intends to have blood test conducted in the coming days and report to stewards anything that may assist to explain todays performance.

S. Comments:Raced keenly in the early stages. When questioned regarding the tactics adopted in today's event, Apprentice A. Donald advised stewards that as there was no genuine pace in the race, she was advised by the trainer to make use of her inside barrier and to take a position in the lead. Trainer J. Manzelmann confirmed with Apprentice Donald's statements and advised stewards that he was unaware of his obligations to advised stewards regarding changes with riding instructions.
