| S. Comments:Just prior to the jump got its head down and began awkwardly settling at the back of the field. Had to be steadied and shift ground outwards near the 150m when runners to its inside shifted wider on the track. When questioned regarding the performance jockey J Stanley stated after missing the jump MACHINATE settled at the back of the field which was not its normal racing pattern. He attempted to improve its position prior to the home turn however the mare failed to improve its position as expected and only battled in the home straight |                   |                     |  |

S. Comments:Slow to begin. Weakened from the 600m taking no further competitive part in the event. Jockey N. Day advised that in his opinion his mount resented the tongue tie throughout today's event and failed to respond when placed under pressure from the 600m. A post-race veterinary examination revealed the gelding to be lame in the near hind leg. Trainer J. Wigginton was advised the gelding would require a veterinary clearance prior to returning to racing.
