Of particular concern was the fact that she led when the horse's racing pattern has been to settle in the second half of the field, and as to why she led after having begun very awkwardly. Miss Williams stated she had been instructed to attempt to settle midfield and rode aggressively out of the barriers after being slow to begin in an attempt to secure that position. Howe

He indicated that the horse, in his opinion, raced well at its last start at the Sunshine Coast as it was only beaten 5 lengths. He added that at its most recent start at Gympie the horse received severe interference during the early stages and had to be checked and this had a detrimental effect on the overall performance. He further added that he had expected a more forward showing tonight, however was somewhat surprised with the horse's win.
