S. Comments:Bumped by another runner on jumping away. Stewards questioned M. Du Plessis regarding the tactics he adopted as the horse settled further back in the field than at its most recent start. He explained that he had been given no specific instructions, however, from the wide alley he had anticipated that the horse would begin well and he would hopefully be able to take up a forward position. He added that after being bumped in the early stages and horses racing to the inside showing early speed, he elected to restrain to obtain a position closer to the fence with cover.

A post-race veterinary examination revealed the mare to have poor post-race recovery and to be exhibiting signs of being in season.

He stated that after the horse's most recent start in which he felt it raced flat, he had sent the horse for a spell. He indicated THE GREAT BOOMBINO has previously raced well fresh and this, also coupled with today's softer racing surface and claim from apprentice S. Thornton, he had expected a forward showing. He also added that in hindsight he was of the view the horse races best when its runs are spaced out and that he would endeavour to space the horse's runs more so in future.
