S. Comments:Laid in under pressure. Jockey N Callow reported that when placed under pressure in the early part of the home straight his mount laid in and approaching the 200m, felt awkward in its action, so he did not pressure it from that point onwards. A post-race veterinary examination revealed the gelding to be lame in the near-fore led. Trainer J Patton was advised that the gelding would require a veterinary certificate prior to next racing.
