Junction 56.5 1, 6.40 LEN, 1-10.41 33.99				
S. Comments:Near the 1000m had to be steadied from the heels of JUNCTION which shifted in. When questioned as to the performance App. J Grob stated that the filly travelled into the race nicely, however, peaked on its run passing the 300 and in his opinion proved disappointing. App. Grob noted that a nasal strip had been added to the fillys gear for the first time today. App. Grob added that passing the winning post the filly made an abnormal respiratory sound and as such may benefit from the addition of a tongue tie. A post-race veterinary examination revealed no abnormalities.

S. Comments:Began awkwardly. When questioned by Stewards regarding the seemingly disappointing performance, Apprentice M. Wishart advised that after being caught 3 wide without cover in the early stages, she permitted the gelding to stride forward to obtain a position with cover near the 1000m. She added that her mount travelled comfortably throughout, however when placed under pressure in the home straight it failed to respond to her riding. Refer to full report for comments from trainer's representative Mr. M. Currie. A post-race veterinary examination of the gelding revealed no significant findings.
