He added that as the mare was 3rd up from a spell in today's race it had now reached peak fitness and based on its work in preparation for tonight's event had expected a forward showing, particularly when in his opinion racing in inferior company to recent starts.

When questioned regarding the seemingly improved performance of the mare which was heavily supported in betting, Trainer K Kemp reported that at the mares previous start it disappointed after missing the start badly. He added that as the mare was 3rd up from a spell in today's race it had now reached peak fitness and based on its work in preparation for tonight's event had expected a forward showing, particularly when in his opinion racing in inferior company to recent starts.
