S. Comments:Bumped at the start. Laid in under pressure in the home straight. After racing wide in the early stages, was permitted to stride forward and obtain a one-off position outside the leader near the 800m. Trainer stated that, in his opinion, the gelding is better suited when ridden in a quieter fashion with cover and the additional work required of the gelding in the early stages of the event was a telling factor in the finish. A post-race veterinary examination did not reveal any abnormalities.
