S. Comments:Slow to begin. Made the crossing near the 1500m awkwardly. Held up rounding the home turn and in the early stages of the home straight. Jockey M Cahill advised that his mount settled in a rearward position as per its customary racing pattern, however as a result of the big field he was forced to settle a considerable distance from the leading position. Jockey Cahill added that as a result of his position in running he was not entirely disappointed in the performance of gelding which in his opinion would be better suited in races over a greater distance than that of today's event. S. Comments:Tactics queried as to the gelding settling outside the leader contrary to the gelding's normal racing pattern. Rider reported that he was instructed to ride with some vigour in the early stages with the intent to get the gelding to travel and when he was trapped extremely wide on the track approaching the 1600m rather than restrain and lose several lengths to settle in a rearward position he elected to allow the gelding to stride forward.
