S. Comments:After being moderately away from wide barrier restrained with cover, however, unable to do so and restrained to a rearward position to obtain cover. After passing the 900m commenced to over-race and had to be restrained from heels on a number of occasions. G. Colless explained at its last start it raced more forward from inside barrier whereas today from wide barrier unable to hold a more forward position and in his opinion with track favouring horses racing in a forward position ridden back today may have been detrimental to geldings chances. Stewards noted the explanation.

S. Comments:Apprentice J. Murphy stated that he could offer no tangible explanation for the horse's performance today. Mr Mel Eggleston, representing trainer Kris Lees, advised that TOP PROSPECT is better suited when able to sit up near the lead and dictate the tempo of the race, and furthermore, the stable intends to back the horse up in the following week. Apprentice Murphy was reprimanded for using his whip on 6 occasions prior to the 100m, being one more than permissible under the rules.

He stated that initially he did consider shifting MOSCINI wide on the track to the inside of DISTRICT in order to improve but soon afterwards FOR MY ANNIE shifted out, which prevented him from shifting out so he elected to shift to the inside in an attempt to gain clear running. He then became awkward on the heels of ROYAL HALE approaching and passing the 200m and was only able to test his mount ov | | | | |

S. Comments:Trainer L. Erhart was questioned regarding the tactics adopted on the horse, which led in today's event. She explained that as the horse was stepping up in distance she had expected it to have settled in a more forward position however not necessarily to lead. She indicated to stewards she had given apprentice Tomlinson limited instructions other than to say if the horse begins well she was content for him to ride the horse in a forward position. Stewards noted the explanation and advised Mrs Erhart of her obligations under the rules to notify stewards of any potential change of tactics.

S. Comments:Clipped heels passing the 1000m, blundered badly and lost ground. Apprentice B. Nothdurft reported that the horse did not travel and was

eased down in the home straight, which he attributed to the early interference suffered. A post-race veterinary examination revealed minor lacerations to the

off fore and near hind legs and that the gelding had cast the off hind plate. Stewards will follow up in coming days with trainer T. Sears regarding the horse's

post-race recovery. A swab sample was taken.
