Sears advised that, in his opinion, the gelding is better suited in races when able to lead and, for that reason, he had instructed jockey M. Cahill to stride forward to obtain this position if possible. He added that the gelding was fitter for its second run over the 1640m today, and based on these factors, he had expected a forward showing from the gelding. Stewards noted the explanation.

S. Comments:Trainer L. Erhart was questioned regarding the tactics adopted on the horse, which led in today's event. She explained that as the horse was stepping up in distance she had expected it to have settled in a more forward position however not necessarily to lead. She indicated to stewards she had given apprentice Tomlinson limited instructions other than to say if the horse begins well she was content for him to ride the horse in a forward position. Stewards noted the explanation and advised Mrs Erhart of her obligations under the rules to notify stewards of any potential change of tactics.

Stewards noted the explanation of L Gough. A post-race blood and urine sample was taken from GOODONYA SONJA.
