After the saddle shifted significantly back SIP IT SLOW commenced to buck passing the 900m and then took no competitive part in the event from that point. Stewards inspected the gear of G Cartwright following the event and found it to be of a satisfactory standard. Stewards interviewed trainer B Gorman who indicated that the mare is quite lightly framed and he would be advising riders to apply a gel pad in future starts.

S. Comments:Bumped at the start and lost ground. Raced keenly in the early stages. When questioned in relation to the below market expectation performance, jockey S Thornton reported that after being hampered at the start and settling further back than she had anticipated SAFEWORK then commenced to over race during the early stages which she felt was a major factor in the horse failing to run on as she had expected in the home straight. A post-race veterinary examination failed to reveal any abnormalities.
