S. Comments: Raced keenly in the early stages. When asked to comment on the tactics adopted, apprentice S. Tomlinson advised that he had been instructed to go forward today, as the colt had led and performed well in a recent jump out. He added that at the colt's first start it was the intention for it to race in a forward position, however after being slow away it settled further back in the field than anticipated.

S. Comments: Began awkwardly and shifted in and bumped AKAGE. Inclined to lay in under pressure over the final 250m. Rider questioned re settling in a midfield position with cover, in contrast to its most recent pattern where it has settled in a forward position - explained intended to race forward however. when it began awkwardly and soon afterwards crossed by SAUNTER BOY elected to settle the gelding with cover. Added if the tempo was slow in the middle stages she would have improved around the field to lead but as pace was genuine at that stage elected to continue to race with cover. Explanation noted.
