S. Comments:Change of tactics. Connections advised that the horse would be ridden further back in the field if circumstances permit. The horse was ridden accordingly. When questioned regarding the seemingly improved performance, trainer J. Zielke explained that the gelding did not appreciate racing in full-cup blinkers and was better suited to wearing a visor. He added also that the dramatic step up in distance was a major contributing factor in the improved performance. The explanation was noted.

S. Comments:Raced wide throughout. Rider questioned re performance. She said after travelling a short distance she was unable to take up a forward position as were her intentions. She said to obtain cover she had to settle further back than anticipated. She further added that upon straightening the filly failed to quicken as expected and proved reluctant to improve between runners. She also stated that over the concluding stages she had some difficulty obtaining clear running but she was still disappointed in the performance. She said the stable said the filly would now most likely be sent for a spell.
