S. Comments:Jockey R Wiggins reported that after being slow to begin he elected to take a position closer to the rail and added that as the gelding was dropping back in distance today, his mount wouldn't have the pace other runners had and was content to ride at the tail of the field. Stewards noted the explanation.

S. Comments:Underwent a pre-race veterinary examination after becoming fractious when being reshod in the tie up stalls. The examination revealed no abnormalities. App O. Kendal reported approximately near the 300m her mount may have either resented the tongue control bit, or BIG ROCKET may have held its breathe for an extended period due the abnormal respiratory noise she heard BIG ROCKET display at that moment. Due to this noise, she allowed her mount to be eased down in the home straight shortly after. Trainer D. Whyte advised stewards that he would experiment with gear.
