S. Comments:Forced wider by another runner near the 100m. Jockey N Callow reported that after settling in a rearward position due to the fast early tempo the field was stretched over a considerable distance, and therefore passing the 1300m he felt there was an opportunity to improve around the field to a midfield position without being caught wide. He went on to say that after commencing a move forward, the tempo of the event steadied resulting in the field compressing, and as a result the position he attempted to obtain was no longer available and as a consequence he was forced to race three wide

Tactics queried. Rider reported that the gelding raced keenly in the early stages however when placed under pressure approaching the 600m failed to respond and proved disappointing. A post-race veterinary examination failed to reveal any abnormalities.
