S. Comments:After becoming fractious when being transported to the track, underwent a pre-race vet exam, and was cleared to start. Shifted in abruptly at the start and bumped heavily. When asked to comment on performance, rider advised the horse travelled comfortably until the home turn, however when placed under pressure in the home straight was disappointing. Post-race vet exam revealed no abnormalities.

After racing wide in the early stages, was permitted to stride forward and obtain a one-off position outside the leader near the 800m. Trainer stated that, in his opinion, the gelding is better suited when ridden in a quieter fashion with cover and the additional work required of the gelding in the early stages of the event was a telling factor in the finish. A post-race veterinary examination did not reveal any abnormalities.

When questioned on the performance, Jockey stated filly had drawn wide, failed to show speed early and never travelled in the run until balancing up in the home straight-said filly may not have backed up from its previous start on 28th of October 2023 at Gold Coast.
