He was obliged to niggle the horse throughout, and he was able to save ground when rounding the home turn by improving to the inside. S. Comments:Change of tactics. Connections advised the horse would be ridden back in the field. Jockey J. Lloyd was asked to comment on the tactics adopted in the early stages. He indicated that he had been instructed to obtain cover, which he attempted to do from the wide barrier, however felt he was going to be forced to position the horse further back in the field than he would have liked and therefore at approximately the 1400m elected to press the horse forward and see if he could obtain cover in a midfield position. He was unable to do so and was obliged to race 4 wide from that point onwards.
