S. Comments:When questioned regarding the gelding's performance, jockey B. Thompson stated that the step up in grade and the race pressure mid race when THE MOVE improved to his outside which may have had an effect on its finishing effort. OSAMU underwent a post race veterinary examination which revealed no significant abnormalities, however the gelding slipped over post race in the tie up stalls following the examination and pulled the left hind plate off, stepping on the toe clip, causing lameness. OSAMU was treated on course by the veterinary surgeon.

S. Comments:Left a rearward trailing position near the 1300 metres and progressed forward to race outside the leader near the 900 metres. When asked to comment on tactics adopted rider L Cassidy explained the gelding had been ridden in a similar fashion at its most recent starts and when the pace eased near the 1400 metres he elected to ride forward. Stable representative for M Kropp indicated it was the stable's intention to continue with its current preparation. Stewards noted the explanation.
