S. Comments:Slow to begin. Rider reported that after obtaining a position behind the lead in the early stages, ended up racing further back after ALDERMAN restrained to allow DAULAT TAI PANAZIZ to cross. She added that her mount was disadvantaged by the slow pace of the race and after obtaining clear running in the straight her mount responded well and ran to the line in a positive manner. A post race veterinary examination failed to reveal any significant abnormalities.

S. Comments:Began awkwardly and then failed to muster early speed. Approaching the finish line, improved onto the heels of a tiring runner and shifted out abruptly. On returning to scale apprentice Y Lewis reported that the gelding failed to muster early speed however this is consistent with its customary racing pattern. Apprentice Lewis added that the gelding made some late ground, however, would be much better suited in races over a greater distance than today's event. A post-race veterinary examination failed to reveal any abnormalities.

S. Comments:Began awkwardly, losing ground. When asked to comment on the performance of the gelding, jockey L Dittman advised that he had anticipated leading the event however when the gelding lunged forward in the barriers just prior to the start being affected, this resulted in him settling further back in the field than anticipated. Jockey Dittman advised that in his opinion racing in a rear wood position was the major contributing factor to the below market expectation performance as the gelding travelled comfortably during the event and returned to scale with no apparent issues that he could detect.			<b>In Running: /5/6</b>
