Trainer T Thomas advised that the gelding had worked comfortably in preparation for today's event with blinkers on, however based on the racing manners of the gelding today he would now remove the blinkers for the horses gear. contributing factor to the geldings below market expectation performance as the horse was reluctant to race through the kick back.

S. Comments:Raced keenly in the early stages. Stewards questioned trainer G Doughty in relation to the seemingly improved performance. Mr Doughty advised that at Ballina last start it raced four-wide whilst also required to carry 60kg. Mr Doughty added that further in his opinion racing back at the Gold Coast where it had won on seven prior occasions, was the major contributing factor to the improved performance.
