S. Comments:Apprentice K Wilson-Taylor reported that the mare travelled comfortably in the leading position until a point entering the home straight, however when asked to quicken the mare did so for only a short distance and was under pressure from the 300m. Apprentice Wilson-Taylor added that in his opinion the mare was also not suited by the firm racing surface. A post-race veterinary examination revealed the mare to be short striding in front, however no further abnormalities were detected.
