S. Comments:Raced wide throughout. Laid in under pressure in the home straight. When asked to comment, Rdr stated gelding did not begin well and after being caught wide, elected to allow mount to stride however noted the gelding was inclined to lay in throughout which had an effect on its finishing effort. A post race vet exam revealed the thumps.

S. Comments:Began awkwardly. Held up from round home turn until the 150m, where Rdr elected to shift wider to secure clear running. When questioned re tactics adopted, in particular when a run presented between runners approaching the 150m & elected to shift to the outside of heels, Rdr reported instructions were, if possible, find clear running in the home straight, as mare appreciates racing room. Tnr confirmed instructions & added with addition of winkers, thought it would appreciate racing room & was satisfied when mare was shifted wider. Explanation noted.

When questioned re tactics adopted, in particular when a run presented between runners approaching the 150m & elected to shift to the outside of heels, Rdr reported instructions were, if possible, find clear running in the home straight, as mare appreciates racing room. Tnr confirmed instructions & added with addition of winkers, thought it would appreciate racing room & was satisfied when mare was shifted wider. Explanation noted.
