When asked to comment on the performance, apprentice C Collis stated that the gelding travelled well during the event, however when placed under pressure in the home straight, failed to respond to his riding and was disappointing. A post-race veterinary examination revealed the gelding to be exhibiting clinical signs of cardiac arrhythmia. Trainer S Kendrick was advised that the gelding would require a veterinary certificate, inclusive with results of an ECG, and to officially trial prior to next racing.

S. Comments:Raced keenly in the early stages. Stewards questioned trainer G Doughty in relation to the seemingly improved performance. Mr Doughty advised that at Ballina last start it raced four-wide whilst also required to carry 60kg. Mr Doughty added that further in his opinion racing back at the Gold Coast where it had won on seven prior occasions, was the major contributing factor to the improved performance.

Obligated to shift back to the inside to secure running clear running soon after entering the home straight. When asked to comment on the performance rider E Lang reported after being held up approaching the home turn the horse was somewhat disappointing when placed under pressure in the home straight.
