S. Comments:Start of this race was delayed when this gelding had the near-fore plate refitted. Tightened for room and lost ground on jumping. Shifted in abruptly near the 700m and caused its rider to become unbalanced, as a result the saddle shifted down the nearside causing apprentice A Jones to be obliged to remove her foot from the offside iron, which placed her at a disadvantage for the remainder of the event and BECAUSE THE NIGHT took no further competitive part. Lost both front plates in running.

Jockey J Orman when asked to comment stated that after travelling well the gelding failed to respond to his riding in the straight and proved disappointing. Jockey also added that today's track conditions may have effected its performance. Trainers representative M Sharpe advised that the gelding would undergo further veterinary examinations which would include an endoscopic examination and report the findings back to stewards.

Rider reported that even though his mount over raced in the middle stages his mount still travelled well and was of the opinion that his mount was a winning chance on straightening. He added when placed under pressure his mount failed to respond to his riding and ran to the line in a disappointing manner. A post race veterinary examination revealed a poor post race recovery.
