S. Comments:Improved onto heels near 200m & checked. When quest re ride early stages of h/straight, specifically as to reason/s why persisted attempting to improve between runners when it became apparent that run was diminishing & there was insufficient room. Rdr advised after taking trail in early and middle stages, had anticipated that runner continuing to improve & being able to take mount into race. However, when that runner failed to let-down as expected & his mount improved notably when pressured on straightening, mount improved & became awkwardly placed on heels for several strides & checked.
