S. Comments:When asked to comment on the performance of the mare, jockey P Hammersley reported that due to the fast early tempo, after beginning only reasonably the mare settled further back than he had anticipated. Jockey Hammersley added that as a result of this the mare was very reluctant to stretch out through the kick back and as a consequence, trailed the field throughout the event. A post-race veterinary examination failed to reveal any abnormalities.

S. Comments:On returning to scale, apprentice B Wheeler reported that given the manner on which the track was racing, in that it advantaged leaders, he rode his mount aggressively in the early stages in an attempt to lead the event, however as a result of being caught wide, he restrained to a position with cover approaching the 1000m. A post-race veterinary examination failed to reveal any abnormalities.
