S. Comments:Raced wide for the majority. Rdr advised instructed to go forward if possible, and after beginning awkwardly, gave consideration to restraining to take up a trailing position, however; being mindful of instructions, elected to go forward to a position outside the lead where mount then raced keenly until entering home straight-added in hindsight, believed mount would have been better served being restrained at the start and take up a rearward position with cover. A post-race vet exam revealed no abs.

S. Comments:Raced wide for the majority. Rdr advised instructed to go forward if possible, and after beginning awkwardly, gave consideration to restraining to take up a trailing position, however; being mindful of instructions, elected to go forward to a position outside the lead where mount then raced keenly until entering home straight-added in hindsight, believed mount would have been better served being restrained at the start and take up a rearward position with cover. A post-race vet exam revealed no abs.

S. Comments:Wnen questioned over tactics adopted, in particular decision when racing outside leader, to pressure that horse between the 1000m and 400m. Rdr stated instructions were to be positive and to race in a handy position with cover if possible. After viewing race footage, Rdr agreed had erred in not attempting to restrain to a position behind leader mid-race and so give the horse an opportunity to finish the race off.
