S. Comments:When questioned regarding the poor performance of the gelding rider explained that the horse performs best when able to dictate terms in front. He said that after a runner improved quickly to his inside, his mount was then inclined to lay out, rounding the home turn ran wide, and weakened noticeably over the concluding stages. A post-race veterinary examination did not reveal any abnormalities. Trainer was told that the horse must perform satisfactory in a trial prior to being permitted to race again.

S. Comments:Forced to race in restricted room approaching the 1400m and had to be steadied. Overraced in the early and middle stages. A post race veterinary examination, which finished a distant last, failed to reveal any significant abnormalities. Connections indicated following the disappointing performance they would consider the horse's immediate racing future.
