When questioned as to disappointing performance, Jockey D Griffin explained the mare had a tendency to race keenly early. He added that after settling well and having a favourable run through the middle stages, was under extreme pressure from the 600m and proved very disappointing. His opinion would be better suited to races over a shorter distance. Post-race vet. ex. revealed a slower than normal recovery rate.

Trainer A Willick stated that blood tests along with an endoscopic examination performed earlier this week were clear of irregularities and as such was unable to provide any tangible explanation for today's disappointing performance. She undertook to have further veterinary examinations and blood tests carried out in the days subsequent to today's event, the results of which will be reported to Stewards. Post-race vet exam – no findings.

In his opinion the mare may have come to the end of current preparation. Post race vet exam, no abnormalities. Trainer advised mare to be sent for spell.
