S. Comments:Near the 450m, was momentarily placed in restricted room and eased. On returning to scale jockey T See reported that after receiving interference at the 450m the gelding felt uncomfortable in its action and for this reason he elected not to place the gelding under pressure from this point as he had concerns with the horse's action. A post-race veterinary examination failed to reveal any abnormalities other than the gelding had shifted its off-fore plate in running.

Jockey N callow advised that the gelding failed to travel during the early and middle stages and was hard ridden from the 700m. He added that in the home straight the gelding made some late ground however in his opinion was disappointing and maybe looking for races over a further distance than that of today's event.
