S. Comments:Raced wide without cover throughout. Jockey R Fradd advised that the gelding did not show the speed that he had anticipated as he felt he would have been able to cross the runners drawn to his inside in the early stages. He added that when unable to cross the runners to his inside, he was forced to race wide throughout, however in his opinion the gelding raced somewhat flat in today's event.

S. Comments:Slow to begin. Making the turn out of the home straight on the first occasion, improved onto heels and shifted out abruptly. Due to the moderate temp, over raced at heels for a considerable distance in the early and middle stages. When asked to comment on the performance of the mare, apprentice C Collis advised that in his opinion, the slow early tempo was the major contributing factor in relation to the performance particularly when after being slow to begin, he was forced to obtain a trailing position in the event rather than being able to lead the event.

S. Comments: Jockey C Robertson reported that the gelding had a tendency to hang in during the event and put in a number of awkward strides near the 500m. Jockey Robertson added that for this reason he eased the gelding down in the home straight. As a veterinary examination was not undertaken due to the vet attending to an injured horse, stewards will follow up with trainer B Mair in the day subsequent to today's race in relation to the gelding's post-race recovery.
