S. Comments:Trainer L. Baker explained that the gelding was having its second start for this stable, with its only other start in his care being over an unsuitable distance. He added for that reason he stepped the gelding up in distance for today's event, which he felt was to its advantage. He went on to say that the gelding's poor recent form was when racing on grass surfaces and in his opinion when racing back on a sand surface today, was a contributing factor to the horse's improved performance.
