S. Comments: Raced wide. Leaving the 500m, when racing in restricted room, was bumped. Raced in restricted room round home turn. When questioned re performance, Rdr stated approaching home turn, felt filly's run was coming to an end as it was dropping back in distance from its most recent start. Rdr was also of view mount may have resented racing between runners-added on straightening when racing in the clear, filly responded to riding before finishing off the event.

to improve. When asked about performance, Rdr reported mount travelled well in the early and middle stages, but after shifting out on entering the home

straight, mount commenced to wander-added given only colts second start, it would derive benefit from performance. A post-race vet exam revealed no abs.
