S. Comments:As a result of beginning well and being caught wide in the early stages rider C Eaton elected to allow the horse to stride forward and race outside the leader from the 1100 metres. When questioned regarding the apparent improved performance trainer M Boland explained THE HAND has a history of being tardy to begin, however after beginning well and racing in a handy position he was not entirely surprised by today's performance. The licence of C Eaton to ride in races was suspended under AR132(5) for a period of 8 days to commence midnight 19th September up to and including midnight 27th September

respond and proved disappointing. A post-race veterinary examination failed to reveal any abnormalities.
