| S. Comments:Raced wide and without cover and was pressured from a point passing the 700m to obtain a position nearer the inside running rail trailing the leader near the the 600m before being pressured to obtain a position outside the lead. Performed below market expectations. A post-race veterinary examination revealed a poor post-race recovery. |                 |            |                                      |

Comments: Raced greenly and inclined to lay out for the majority of the event and as a result near the 200m became awkwardly placed at the heels of PONTYPRIDD. A post-race veterinary examination revealed a slow post-race recovery.
