Rdr acknowledged got too far back and given this was only second race ride, Stewards took no action, however; brought the matter to the attention of the RQ apprentice jockey mentor

Mr Wiggins was also aware there was little speed in the race on form. Trainer R Vale confirmed it was not the intention to lead as it was his preference for the filly to take a trail in suitable circumstances.

Trainer advised that the stable were disappointed with the performance having expected a forward showing. A post-race veterinary examination revealed a slow post-race recovery. Trainer further undertook to advise Stewards should anything become apparent regarding the geldings condition in the coming days.

S. Comments:When asked re instructions given, Rdr advised no specific instructions were given, apart from allowing filly to settle where comfortable. After being caught wide early, Rdr allowed filly to stride and assume a leading position near the 1400m. Tnr confirmed these instructions & advised filly was having second start for stable and was confident of a forward showing with the rise in distance along with the manner in which filly had been working leading in to the event.

Comments:When asked about performance, Rdr reported after being ridden along from the barriers to occupy a forward position, filly refused to settle and over raced-added had recommended to connections to remove blinkers in an attempt to get the filly to settle. Weakened from the 300m. Post race filly became fractious in tie up stalls & sustained an abrasion near wither region & both stifles. Tnr advised filly requires vet clearance prior to racing again.
