The key to the success of the Queensland Racing Carnival is a carefully planned race program spanning 10 weeks.

This incisive schedule supports owners and trainers either looking to race their horses through the grades, or who are looking to target specific races, either with or without a lead-up race.

Ensuring generous recovery time in between like-style races, your horses will thrive in Queensland's idyllic winter climate.

Over \$25 million in carnival prize money has incredible appeal with owners bringing horses to Queensland from overseas and interstate.
