

AHC31319 Certificate III in Sports Turf Management

This qualification describes the skills and knowledge for trade level roles carried out under general direction within sports turf management.

Individuals with this qualification perform tasks autonomously involving a broad range of skills that are applied in a wide variety of sports turf facilities and workplaces. They exercise discretion and judgement in planning tasks, selecting, and operating equipment, coordinating resources and applying contingency measures during work.

Legislation related to the installation of irrigation and the storage, handling and application of chemicals applies in some states and territories.

Requirements for completion of this qualification

To be awarded this qualification, competency must be achieved in twenty-three (23) units of competency made up of:

- Eighteen (18) core units of competency, and
- Five (5) elective units of competency

Your unit selection will be through consultation with your course advisor - this is a **Nationally recognised qualification**
